

CERTIFICATE IN EDUCATIONAL ASSESSMENTS FOR EARLY CHILDHOOD EDUCATION

Specialisation- Teaching Learning & Pedagogy

Offered by: HubbleHox Technologies Pvt. Ltd. in collaboration
with **CHETNA – SNDT Women's University**

ABOUT THE COURSE

The Certificate in Educational Assessments for Early Childhood Education is a 15-hour, self-paced online course that equips educators, caregivers, and aspiring teachers with the skills to assess and support the learning and development of children aged 3-8. Aligned with NEP 2020 and NCrf Level 4 (UG), the course introduces key concepts of assessment, evaluation, and measurement, while emphasising the importance of observation-based, child-friendly, and holistic evaluation in early years education.

Participants will explore a range of tools and techniques such as rubrics, checklists, portfolios, anecdotal records, and the Holistic Progress Card (HPC), alongside strategies for integrating technology into assessment practices. Whether you're new to the field or looking to strengthen your approach, this certification enables you to document learning meaningfully, communicate progress effectively, and make assessments a powerful tool for both teaching and transformation.
