II-TED™

International Institute for
Teacher Education and Development

ABOUT US

The International Institute for Teacher Education and Development (II-TED) is dedicated to empowering educators worldwide through comprehensive, impactful, and flexible training and development programs. Our mission is to enhance the quality of teaching by fostering skills that inspire, educate, and lead to transformative classroom experiences. Aligned with the National Education Policy, 2020 of India and rooted in global best practices, II-TED offers a comprehensive curriculum that aligns with the evolving needs of 21st-century education. Our programs cover a wide spectrum of courses based on areas like Child Growth and Development, Pedagogical Studies, Curriculum Studies, Educational Assessment and Evaluation, Monitoring and Evaluation, School Leadership and a variety of other courses.

We believe that impactful teaching drives societal progress, and we are committed to nurturing educators who create lasting change.
